

# Weekly Update

Cappy Pugliese

1/21 - 1/25

## Over break

- finally finished my website!
- successfully recovered from surgery
- spent time with family
- found some wns related articles to read
  - (haven't read yet though)

## Last Week

- began prepping to go back to school
- lots of email stuff
- first bio 1108 lab meeting
- moved back into my apartment

## This Week

- went to grad student book club meeting :)
- got allergy tested (not fun)
- got adjusted to my new schedule and classes
- prepared to TA my first class (went well)
- spent a bit of time getting used to the new HuskyCT setup and figuring out where things are
- set up attendance sheets to keep track of attendance
- figured out how to grade in HuskyCT
- went to the NRE/EEB grad event
